

End-to-End
Intelligent Workplace
Cloud Platform for
Equipment Finance

The Path to **Customer Servicing Excellence** Begins Here

Leasepath Enterprise is:

End-to-End

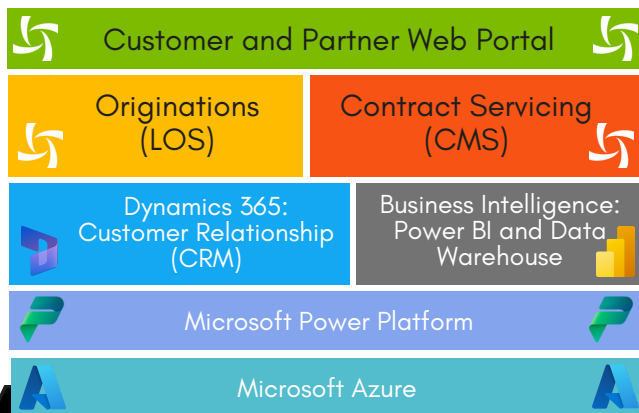

One familiar platform for your **Sales, Credit, Funding, Customer Service, Marketing, Collections and Administrative** teams. Purpose-built for equipment finance companies, including independent finance, banks, captive finance, and brokers.

Intelligent

Fully digital, agile business platform with advanced data and BI integrations, along with comprehensive risk management for **streamlined, profitable finance operations.**

Future-Proof

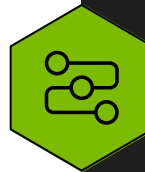

Automatic (quarterly) enhancements in the cloud ensure you are **never left behind.** Eliminate worries about infrastructure and security so **you can focus on your customers** and **outpace your competitors.**

Microsoft

Identity, security, backups, and compliance supported by Microsoft Azure Cloud

UNIFIED WORKPLACE

Combining your CRM, Originations, and Contract Servicing into one seamless interface **simplifies your tech stack** and creates operational **speed and efficiency.**

YOUR CLOUD, YOUR WAY

You will own an **open, flexible, customizable space.** **Modify Leasepath to suit your business needs** and enjoy quarterly enhancements that improve your workflow.

SEAMLESS AUTOMATION

Pre-built integrations and low-code/no-code tools like Power Automate **simplify everyday tasks.** Experience increased efficiencies and **faster, accurate servicing.**

MODERN PLATFORM

Gain **digital agility** with familiar tools: a world-leading CRM paired with a modern, data-driven platform for **streamlined workflows** and **adaptability.**
